

## Board of Directors

### Carrie Gustavson

Bisbee

Director, Bisbee Mining & Historical Museum

Growing up, **CARRIE GUSTAVSON** spent many years learning about other cultures and people around the world through the United Nations IAEA program. After returning to the United States, she received her degrees in Near Eastern Studies from UCLA/University of California, Berkeley and the University of Toronto. For 20 years, she work at, then directed, numerous archaeological excavations and research studies in the Middle East, focusing on the Chalcolithic cultures along the Fertile Crescent the Mediterranean littoral. Twenty years ago, Carrie returned to the United States and completed her graduate certificate in Museum Studies at Arizona State University. As the Director, Carrie has led the Bisbee Mining & Historical Museum to state and national recognition with award-wining interactive exhibitry.
