www.azhumanities.org

The Arizona Humanities Council, founded in 1973, is an independent nonprofit organization that works in cooperation with the National Endowment for the Humanities.

Stories convey our histories, traditions, social mores, beliefs and insights about what it means to be human. The Arizona Humanities Council creates opportunities for sharing these diverse stories through critical thinking and public discussion, to better understand and appreciate one another, so that we can make informed decisions about our collective future.
